

How to get to Snack Crops Production Plant?

On route 5 coming from Buenos Aires City at km 364,25 you should take the right entrance to the city of Pehuajó. As a reference on the left of the route it can be seen service station "Shell".

The access street name is "Nestor Kirsner" –old Avellaneda access Street. Go straight on 4 km till a Service Station "ESSO". At that point turn right, into "Neuquen Street" and go straight on for around 700 Mts till Defensa Street. During that transit at the left it can be seen the silos and building of Snack Crops plant. At Defensa Street turn left and go straight on 50 mts till Snack Crops's Production Plant entrance.

Defensa Street 142.
